BID GUARANTEE - DELETED

Americans with Disabilities Act

The Contractor and the Authority do hereby agree that the provisions of Title II of the Americans with Disabilities Act of 1990 (the "Act" (42 U.S.C. S12101 *et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Authority pursuant to this contract, the Contractor agrees that the performance shall be in strict compliance with the Act. In the event that the Contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the Contractor shall defend the Authority in any action or administrative proceeding commenced pursuant to this Act. The Contractor shall indemnify, protect, and save harmless the Authority, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Authority's grievance procedure, the Contractor agrees to abide by any decision of the Authority which is rendered pursuant to said grievance procedure. The Authority shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Contractor along with full and complete particulars of the claim. It is expressly agreed and understood that any approval by the Authority of the services provided by the Contractor pursuant to this contract will not relieve the Contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Authority pursuant to this paragraph.

It is further agreed and understood that the Authority assumes no obligation to indemnify or save harmless the Contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the Contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in the Agreement, nor shall they be construed to relieve the Contractor from any liability, nor preclude the Authority from taking any other actions available to it under any other provisions of this Agreement or otherwise at law.

WARRANTY

The successful bidder shall be required to furnish the warranty from the equipment manufacturer when contract is initiated.

GUARANTEE

The vendor shall guarantee any or all materials supplied under these specifications for at least one year. Defective or inferior items shall be replaced at the expense of the vendor.

INTERPRETATION AND ADDENDA

- A. The bidder understands and agrees that its bid is submitted on the basis of the specifications prepared by the East Windsor Municipal Utilities Authority. The bidder accepts the obligation to become familiar with these specifications.
- B. Bidders are expected to examine the specifications and related documents with care and observe all their requirements. Ambiguities, errors or omissions noted by bidders should be promptly reported in writing to the appropriate official. In the event the bidder fails to be notified the East Windsor Municipal Utilities Authority of such ambiguities, errors or omissions, the bidder shall be bound by the bid.
- C. No oral interpretation of the meaning of the specifications will be made to any bidder. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications, and will be distributed to all prospective bidders, in accordance with N.J.S.A. 40A:11-23. All addenda so issued shall become part of the contract documents, and shall be acknowledged by the bidder in the bid. The East Windsor Municipal Utilities Authority's interpretations or corrections thereof shall be final.
- D. Discrepancies in Bids
 - 1. If the amount shown in words and its equivalent in figures do not agree, the written words shall be binding. Ditto marks are not considered writing or printing and shall not be used.
 - 2. In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the East Windsor Municipal Utilities Authority of the extended totals shall govern.

FAILURE TO SIGN CONTRACT

The failure of the successful Bidder to sign the Contract within fourteen (14) days of the award of the Contract to the successful Bidder, shall be sufficient cause to rescind the award. The East Windsor Municipal Utilities Authority may then, at its option, accept the bid of the next lowest responsible bidder. It is understood by the Bidder that the certified check, cashiers check or bid bond shall be forfeited to East Windsor Municipal Utilities Authority in the event of the Bidder's failure to comply with the foregoing. It is further understood by the Bidder that such forfeiture shall be considered as liquidated damages for the delay and additional expense incurred by the East Windsor Municipal Utilities Authority due to the Bidder's failure to comply with these requirements and shall not be considered a penalty.

AWARD OF CONTRACT

The East Windsor Municipal Utilities Authority reserves the right to award the Contract based upon the base bid alone and upon the combination of the base bid and the alternate. The bid specifications may also contain option bids. The East Windsor Municipal Utilities Authority may, in its discretion, award the contract to the bidder whose aggregate bid price for the chosen option, or any combination of options is the lowest responsible bidder.

WITHDRAWAL OF BIDS

Bids may not be withdrawn after the opening of bids. Furthermore, the attachment of any conditions, limitations, or ancillary provisions by a bidder to the bid proposal will cause the bid to be classified as irregular and will render the bid subject to rejection.

Sealed bids forwarded to the East Windsor Municipal Utilities Authority before the time of opening of bids may be withdrawn upon written application of the bidder who shall be required to produce evidence showing that the individual is or represents the principals involved in the bid. Once bids have been opened, they must remain firm for a period of sixty (60) calendar days.

POWER OF ATTORNEY

Attorneys-in-fact who sign contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

WORKER'S WAGES

The contractor shall at all times during the performance of the contract comply with the Prevailing Wage Act (P.L. 1963), C. 150, N.J.S.A. 34:11-56.25 et. seq.). All workers employed in the performance of the contract shall be paid not less than the prevailing rate in this area for each type of work.

RIGHT TO KNOW ACT

Per N.J.S.A. 34:5A-1 et seq. (Workers and Community Right to Know Act), the State Department of Health has adopted a Workplace Hazardous Substance List (N.J.A.C. 8:59-9) which includes substances that pose a threat to the health and safety of employees. Therefore, each bidder must furnish the East Windsor Municipal Utilities Authority a "Material Safety Data Sheet" for each product they supply the East Windsor Municipal Utilities Authority which contains a substance listed on the Hazardous Substance List. Furthermore, in compliance with the Uniform Labeling requirement, a label shall be affixed or stenciled on any product that contains such substances before delivery to the East Windsor Municipal Utilities Authority.

CERTIFICATE OF PAYMENT

All contracts awarded will require the successful bidder to provide on a monthly basis a certificate of payment that all subcontractors, vendors, laborers, mechanics and trades have been paid per N.J.S.A. 2A:44-128 et seq.

CONDITIONS

N.J.S.40A:11 et seq. (Local Public Contracts Law), in its entirety by reference, applies to all specifications drawn by the East Windsor Municipal Utilities Authority. This includes but is not limited to N.J.A.40A:11-18 which requires that only manufactured and farm products of the United States, wherever available, shall be used.

Unless otherwise specified, materials and equipment purchased will be inspected by the contracting agent as to meeting the quality and quantity requirements of the call for bids. When deemed necessary, samples of supplies or materials will be taken at random from stock received for submission to a commercial laboratory. If the reports indicate that the materials do not meet the specifications, the expense of analysis shall be borne by the bidder holding the contract.

The bidder shall warrant all materials and services supplied under these specifications. The warranty shall include warranty of title, merchantability, fitness for a particular purpose and such other warranties that arise from the course of dealing or usage of trade. Defective or inferior items shall be replaced at the expense of the vendor. In case of rejected materials, the vendor will be responsible for return freight charges.

TERMINATION OF CONTRACT

- A. If through any cause, the successful bidder shall fail to fulfill in a timely and proper manner obligations under this contract or if the contractor shall violate any of the requirements of this contract, the East Windsor Municipal Utilities Authority shall thereupon have the right to terminate this contract by giving written notice to the contractor of such termination and specifying the effective date of termination. Such termination shall relieve the East Windsor Municipal Utilities Authority of any obligation for balances to the contractor of any sum or sums set forth in the contract.
- B. Notwithstanding the above, the contractor shall not be relieved of liability to the East Windsor Municipal Utilities Authority for damages sustained by the East Windsor Municipal Utilities Authority by virtue of any breach of the contract by the contractor and the East Windsor Municipal Utilities Authority may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the East Windsor Municipal Utilities Authority from the contractor is determined.
- C. The contractor agrees to indemnify and hold the East Windsor Municipal Utilities Authority harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the East Windsor Municipal Utilities Authority under this provision.

D. In case of default by the successful bidder, the East Windsor Municipal Utilities Authority may procure the articles or services from other sources and hold the successful bidder responsible for any excess cost occasioned thereby.

ASSIGNMENT, TRANSFER, CONVEY, SUBLET OR DISPOSAL OF CONTRACT

NON-CONSTRUCTION CONTRACTS

NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

N.J.S.A. 40A:11-23.2

The contractor must include proof of its own business registration and proofs of business registration of those subcontractors required to be listed in the contractor's submission (i.e., "named subcontractor"). The proof of business registration shall be provided at the time the bid or proposal is officially received and opened by the East Windsor Municipal Utilities Authority.

The contractor shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L. 1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration copy not properly provided under a contract with a contracting agency.

NOTE TO POTENTIAL BIDDERS

THE SPECIFICATIONS HEREIN PROVIDED ARE SPECIFIC IN REGARD TO THE PUMP DESIRED, WHICH MUST IDENTICALLY MATCH 2 EXISTING PUMPS DUE TO HYDRAULIC, SPATIAL AND OPERATIONAL REQUIREMENTS OF THE BOOSTER PUMP STATION. IT IS NOT THE INTENTION OF THE EAST WINDSOR MUNICIPAL UTILITIES AUTHORITY TO PRECLUDE ANY QUALIFIED VENDOR FROM SUBMITTING A BID. THE EAST WINDSOR MUNICIPAL UTILITIES AUTHORITY WELCOMES BIDS WHICH SPECIFICALLY MEET THE CRITERIA DESCRIBED BY THE SPECIFICATIONS.

N.J.S.A. 2A:30A-2 now holds a prime contractor's bills to be deemed acceptable 20 days after receipt unless the payor provides a written statement of an amount to be withheld and the reason for withholding. Importantly, government entities that must vote on authorizations for payment can be excepted from this 20-day rule by expressly providing in bid specifications **and** contract documents that bill approvals will occur at the first public meeting after receipt and bill payment will occur during the subsequent payment cycle. Our bid specifications and contracts need to be revised accordingly.

If payment is not made pursuant to the above mentioned rules, the delinquent municipality will be liable for the amount due plus interest at a rate equal to the prime rate plus one (1) percent. The interest period begins on the first day of delinquency and ends on the day in which the check for payment has been drawn. This interest penalty provision, however, does not apply to certain transportation projects for which the federal government provides funding.

In addition to the above mentioned penalty provision, a prime contractor may, after providing seven (7) calendar days written notice, suspend performance under the contract for nonpayment if the payor has not provided a written statement of the amount to be withheld and the reason for withholding and has not engaged in a good faith attempt to resolve the billing dispute. This provision also does not apply to certain transportation projects for which the federal government provides funding.

All contracts for the improvement of structures must provide that billing disputes may be submitted to an alternative dispute resolution process, such as mediation or arbitrations. This provision applies only to billing disputes, however, and thus need not apply to disputes over bid solicitation or the awarding, formation, or interpretation of contracts.

Pay to Play Law

The Contractor is advised of the responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.13 (P.L. 2005, c.271, s.3) if the Contractor receives contracts in excess of \$50,000 from public entities in a calendar year. It is the Contractor's responsibility to determine if filing is necessary. Additional information on the requirement is available from ELEC at (888) 818-3532 or at www.elec.stae.nj.us.
