Applicant Acknowledgment

I understand that the acceptance and approval of this application is solely for the purpose of determining the feasibility of the above-described project and of the projects technical completeness for the eventual connection to the EWMUA's water and/or sewer systems. Nothing herein contained shall constitute an approval for the actual connection to the EWMUA water and/or sewer system(s) and the requirements of the State and County and Local agencies must be met prior to final approval. In the event the EWMUA water and/or sewer systems do not have adequate capacities to serve this project no liabilities shall be incurred by the EWMUA in this matter.

I have received a copy of the EWMUA's rules and regulations and I am familiar with the term and conditions set forth therein.
